MEET THE CAST

Julie Brose '23 (*Elizabeth & Gloria*) has loved theater for as long as she can remember, and has always looked forward to being part of a masker's production. She has been in around 20 shows including *The Addams Family Musical* (Pugsley Addams) at Wolf Performing Arts Center and *Newsies* (Buttons) at The Haverford School last spring. Julie loves playing volleyball, listening to musical soundtracks, and biology. She has had a great experience working with Mr. Warfel and the hilarious cast of this show. Julie would like to thank the audience for coming, and hopes they enjoy it as much as she has.

Kit Conklin '20 (*Betsy*) has bounced her leg for an hour straight as Juror #2 in *12 Angry Jurors*, fainted at her own wedding as Hero in *Much Ado About Nothing*, and worn a blue beehive wig as Polignac in *Marie Antoinette*. Offstage, some of Kit's other notable roles include Features Editor (*The Hourglass*), Lead Critic (*Cappies*), Fran Kelsey (*Mock Trial*) and Lifer (*The Baldwin School*).

Sanae Hagino '21 (*Emma*) is delighted to be acting in her fourth show at Baldwin, although she can be found in the crew if not on stage. In Upper School, Sanae has been in *Hairspray* (LouAnn) and *Marie Antoinette* (Mrs. Sauce) and has assisted in every show since 9th grade. She enjoys singing with the B-Flats, watching TV, reading, and playing with her cats and dog. Her talents include bad accents, a decent Sophia Anne Caruso impression, and the ability to be way too loud, especially when it's not warranted. She's excited to be part of such a great show, and wants to give a special thanks to Mr. Warfel for starting the year off great!

Samantha Manogue '22 (*Lindsey*) is excited to be a part of her first Maskers production here at Baldwin. Attending the Welsh Valley Middle School, she has performed in *Willy Wonka Jr.* (Lead Dancer) and *Seussical* (Bird Girl). Apart from theatre, Samantha has been a passionate dancer since the ripe old age of 2, and an avid sailor who has competed every year since she was 7 years old. Samantha's hobbies include vigorously watching YouTube and Netflix, eating food, playing with her dog, shout-singing showtunes, eating food, hanging with her family, and eating food. She is ecstatic to be a part of this amazing show, and wants to thank the incredible cast and crew for such a warm welcome and Mr. Warfel for a great start to the year.

Taylor Levinson '21 (*Customer*) has been in multiple shows during her time at Baldwin. Her performances range from Shang in *Mulan Jr.* to Mr. Sauce/Revolutionary 2 in *Marie Antionette*, and she has even played the one and only Jesus Christ in *The 25th Annual Putnam County Spelling Bee*. Her other hobbies include hugging her dogs for way too long, singing at the worst possible times, and annoying certain teachers (you know who you are) when they're really busy and don't feel like talking. If she's not on the stage, she can be found in the crew, managing the concessions stand, or missing her cue. She is so happy to finally have a female role and wants to congratulate Mr. Warfel on an amazing first show here at Baldwin.

Emily Seltzer '20 (*Nelson and Manny*) has always had a passion for theatre and is thrilled to participating in one of her final Baldwin productions. She has recently appeared in *Marie Antoinette* (King Louis XVI), *Hairspray* (Mr. Pinky and Matron), *Much Ado About Nothing*, and *Sister Act*, and worked behind the scenes for the middle school's *Honk Jr.* Outside of the theater, Emily spends her time drawing, writing, and playing a variety of instruments. She would like to thank everyone for a wonderful start to the year!

Layla Siahhatgar '21 (*Wagner*) is in her sixth show at Baldwin, most recently having appeared in *The 25th Annual Putnam County Spelling Bee* (Olive) and *Hairspray* (Dynamite). Outside of theater, Layla loves singing with the Baldwin B-Flats, watching movies, and playing with her two cats. Layla would like to thank everyone involved in this show for creating such an amazing production!

Selina Wu '23 (*Hannah*) is new this year is really excited to be a part of her first Masker's production. Her past theater experience includes *Oliver* (Orphan #2 and Urchin #4). Outside of theater, she can be seen fencing, stressing over Mrs. Loke's math homework, or procrastinating on YouTube. She also enjoys being a part of the Baldwin Chorus and a part of the Bensingers. She is very thrilled to perform and would like to thank everyone that helped her adjust to Baldwin and to thank Mr. Warfel for being a great director.

MEET THE STAFF

Lucy Bonin '21 (*Stage Manager, Prop Master*) is a junior at Baldwin. This is her 9th Baldwin show and 12th show overall. She is head of Baldwin's drama club, Maskers, and is on the Arden Theatre's Teen council. When she is not doing theater (which rarely happens), she enjoys reading, listening to music, and judging people silently. She also enjoys eating so much ranch dressing that she vomits all over her grandmother's open casket. She would like to thank the cast and crew for such an amazing show. Special shoutout to Mr. Warfel for making theatre something to be excited for again.

Aislynn Cross '23 (*Sound Apprentice*) is a freshman at Baldwin. This year is her first with Maskers, although she hopes to join next year. She's particularly good at getting distracted, and can usually be found fidgeting, procrastinating, and filling her browser with a counted 43 tabs of meaningless google searches, two of which are playing discordant music simultaneously. She is thankful to have been granted the opportunity to work alongside the various talented, brilliant members involved in tech.

Ellie Delaney '22 (*Assistant Stage Manager*) is a sophomore at Baldwin. She has also worked as an assistant stage manager on *25th Annual Putnam County Spelling Bee* and *Marie Antoinette*. She also has worked in community theatre with her family. When she is not working on theatre she enjoys listening to music, spending time with her family, and annoying her friends. She is very excited to work with Mr. Warfel for the next few years.

Grace Halak '22 (*Set, Marketing*) is a sophomore at Baldwin. She has worked on two previous Baldwin shows, *25th Annual Putnam County Spelling Bee* (lights) and *Marie Antoinette* (set and marketing), as well as marketing for middle school's *Thumbelina*. She enjoys watching old movies, playing guitar, and spending time with her dog (sometimes all at once!).

Aya Ibikunle '22 (*Marketing Apprentice*) is a sophomore in Baldwin. She first met Maskers in 8th grade and has stuck with it ever since. She was in *Much Ado About Nothing* (Ensemble), *25th Annual Putnam County Spelling Bee* (Crew), and, most recently, *Marie Antoinette* (Assistant Director). She's done a couple middle school shows: *Mulan Jr.* (Mulan's Mom) and *Honk Jr.* (Henrietta). Her hobbies include doodling, Internet surfing, reading, story concepting, and attempting to become trilingual. (Japanese and Spanish, if you were wondering. You probably weren't, but oh well.) If you don't see her in the spring musical, assume she is M.I.A.

Edith Lank '23 (*Miscellaneous Homosapien*) is a freshman at Baldwin. She isn't really sure what her purpose in Maskers is, or in the universe at large, for that matter, but ultimately it makes no difference because we all die anyway. She identifies as a chaotic neutral disaster bisexual or pansexual, we don't know yet, we're figuring it out, give us some time and we'll get back to you. She likes cats, dragons, unhealthy foods, summer, and profanity. She really wants to know what happens when you pour Acetone on kinetic sand.

Cara Prendergast '22 (*Sound*) is a sophomore at Baldwin. Previously, she has done props for the upper school's *25th Annual Putnam County Spelling Bee*, as well as the middle school's *Thumbelina*. This is her second time doing sound, her first being *Marie Antoinette*. Outside of theatre, she adores listening to music, painting, and daydreaming.

Estella Stein '22 (*Lighting Designer*) is a sophomore in her second year at Baldwin. Her previous roles for school shows include Assistant Director for *25th Annual Putnam County Spelling Bee*, Lighting Designer for *Thumbelina*, and Guilloteam/Lighting Designer for *Marie Antoinette*. She has also acted in several musicals for Wolf PAC and Music Training Center, in addition to working in the Upper Darby PAC Summer Stage Technical Theater Program. She is the Junior head of Maskers and hopes to be very involved in theater throughout the rest of her time at Baldwin.

Scott Warfel (*Director*) has worked as a professional actor, director, musical director, producer, and composer/lyricist. He worked extensively on stages in New England and the Mid-Atlantic states. Mr. Warfel was co-founder and Executive Producer of First Stage Theatre, located in Lititz, PA. First Stage adapted literary classics to the stage and produced over 100 shows (10-12 a year!) during its run. The theatre company was also recognized by the Governor of Pennsylvania for its commitment to literacy and the promotion of reading. Mr. Warfel was also named a Pennsylvania Fellow of the Arts, the first composer/lyricist to receive the honor. His show *A Connecticut Yankee...* played at the Judith Anderson Theater in NYC to critical success.

Mr. Warfel turned to sharing his background in theatre with students in an educational setting, and has proudly produced a variety of plays and musicals including *Evita*, *The Fantasticks*, *The Foreigner*, *The Exonerated*, *Art*, *Godspell*, *Joseph...*, and *Charlie Brown*. He has also created original works *Civil Voices*, *Verse*, and *Just Words* for student actors. His Nights on Broadway productions provided his students the opportunity to perform with Broadway talent including Andrea Burns (Broadway: *Get On Your Feet*, *In The Heights*, *The Full Monty*, *Beauty and The Beast*) Cary Shields (Broadway: *Rent*, *Taboo*), Eliseo Roman (Broadway: *On Your Feet*, *In The Heights*), Curtis Holbrook (Broadway: *Xanadu*, *If/Then*, *Hairspray*, *West Side Story*), and Teal Wicks (Broadway: *The Cher Show*, *Wicked*, *Jekyll and Hyde*).

Mr. Warfel has a B.A. from Eckerd College, and a Masters in Film and Media Studies from Arizona State University.

Nahla Yankowy '22 (*Costume Designer*) is a sophomore in her fourth year at Baldwin. She has done six plays so far, five of which took place at Baldwin. She acted in Baldwin's productions of *Mulan Jr.*, *Honk Jr.*, and *Marie Antoinette*, and was the costume designer for the middle school's production of *Thumbelina Jr.* Outside of theater, she enjoys painting, reading, and doing creative writing. She would like to give a special thanks to Mr. Warfel and the cast and crew of this production for making Baldwin theater a safe space again!

Sarah Ying '22 (*Set*) is a sophomore in her sixth year at Baldwin. This is the first show she has worked on, and she is very excited to see everything behind how these shows are put together. She is also excited to work with the new director, Mr. Warfel. Outside the theater, she enjoys running and swimming and is on the cross country and swimming team.

Sydney Zilch '20 (*Marketing*) is a senior at Baldwin. She was stage crew for last year's fall musical, *25th Annual Putnam County Spelling Bee*, and was marketing, set, and an actor in last year's spring show, *Marie Antionette*. Sydney came to Baldwin as a junior, and is sad to be leaving already. Outside of the theater, she works as a camp counselor and loves doing anything tech-related. She would like to say thank you to the entire cast and crew, as well as our new director, Mr. Warfel. Great job, everyone! Keep up the good work!
